

25 October, 2007

Dear Members and Friends of the Barbados Golf Club,

During the past year one of your goals was to increase membership by adding 20 new members every year over a five year period so that we could create the foundation for the sustainable success of our golf club. It has been really heartening to see that our membership has increased from 173 members in 2006 to 236 members in 2007! This trend is significant and we are working hard at increasing this number during 2008. Some of our initiatives include clinics that introduce new golfers to the game and increasing our social activities at the bar and restaurant. The Strike Back evening on the first Friday of every month is one example of this and Grilling on the Green is another.

The biggest question on golfers' mind is: When will we have a driving range? Although we don't have the answer, we are confident that there will be a driving range in the vicinity of our club sometime in the near future! When it does become a reality, the good news is that the Barbados Golf Club will be the golf venue of choice for those novices that learn to play golf at the range.

This year, our membership offer is exactly the same as it was last year. There has been no increase in fees, and all incentives for families and corporations are still available.

We are pleased to offer the following early pay discount for full membership payments:

- Pay BEFORE November 1, 2007 and enjoy a 5% early pay discount
- Pay BEFORE December 1, 2007 and enjoy a 3% early pay discount
- New members will benefit from payment by not having to pay and play for the balance of 2007.

Please feel free to contact Denis Foster Tel: 428-8463 (ext.234) with any inquiries that you may have.

Sincerely,

Denny Foster
Director of Golf Operations
